

# Silicone Grease Pro

---

## Technical Data Sheet

---

Product name: Silicone Grease Pro

Creation date: 8/2016

Version:

I

---

### 1: General description

Seals valve seats from an aggressive environment. Allows smooth assembly of elastomeric packings and seals.

### 2: Features

- Forms a colourless, non-hardening film, eliminating squeaking, binding and sticking.
- Functional over a wide temperature range.
- Protects metals and alloys.
- Protects plastics and rubbers.
- Produces a very low coefficient of friction.

### 3: Applications

- Plastic drives and sliding mechanisms.
- Pneumatic tools.
- Valves.
- Anti-freeze for rubbers.
- Protection and maintenance of rubbers.

### 4: Directions

- Shake well before use.
- Do not use on energized equipment.
- Apply to a clean, dry surface.
- Apply a thin even film.
- Do not mix with other products.
- To remove residues or excess product, use one of the CRC cleaners.
- A safety data sheet (MSDS) according to EC Regulation N° 1907/2006 Art.31 and amendments is available for all CRC products.

## 5: Typical product data (without propellant)

- Appearance : Paste.
- Color : Colorless.
- Odor : Solvent.
- Density : 0.72 g/cm<sup>3</sup> (@ 20°C).
- NLGI class : 2
- Dynamic viscosity active product : basic oil 350 mPa.s (@ 20°C).
- Surface tension active product : 19.9 mN/m
- Dielectric strength active product : 16 kV

## 6: Packaging

Aerosol

12x400 ML

All statements in this publication are based on service experience and/or laboratory testing. Because of the wide variety of equipment and conditions and the unpredictable human factors involved, we recommend that our products be tested on-the-job prior to use. All information is given in good faith but without warranty neither expressed nor implied.

This Technical Data Sheet may already have been revised as a result of a change in legislation, availability of components or newly acquired experiences. The latest and only valid version of this Technical Data Sheet will be sent to you upon simple request or can be found on our website: [www.crcind.com](http://www.crcind.com) We recommend that you register on our website for this product, thus enabling you to automatically receive any future updates.
